I am an Independent Catholic Priest with the Old Catholic Church. I am available to Officiate at Catholic Weddings. We offer an on-site Catholic non-Mass ceremony performed either indoors or outdoors. The traditional ceremony includes the Exchange of Vows and the Blessing and Exchange of Rings. This ceremony constitutes the Sacrament of Holy Matrimony, and you will receive a Certificate of Catholic Marriage. I accommodate those who do not belong to a specific church or denomination but wish to have a Catholic Wedding Ceremony. I am flexible and can work with couples to personalize each ceremony to their specific needs and desires.

Thank you & God bless,
Fr. Bruce Douglas

Why settle for
the same clichéd,
predictable ceremony
that seems to highlight
many weddings?

I am an award-winning author
and ordained minister that will
work with you to help craft a
service that conveys your love and
devotion to one another — making
your wedding an event to remember.

Together, we will create a unique,
one-of-a-kind ceremony that articulates
your special love. Whether it is quirky
and fun, or carrying a deeply serious tone,
your ceremony will be afforded the dignity,
respect, and open-mindedness it deserves,
regardless of age, race, or sexual orientation.
